What is a Girl?
What is a Boy?

When a child is born
It is either a girl or a boy.

What is a girl?

Some people say that a girl is
one who has long hair.
But Kuldip has long hair
and he is a boy.

Some people say that those,
Who were jewellery are girls.

Megharaj wears a Necklace
and earnings and he is a boy.

What is a boy?

Some people say that boys are
those who wear shorts
and climb trees.

Shanti wear shorts and can
climb trees very quickly and
she is a girl .

Some people say that boys are those who are strong and can carry heavy loads.

Saeeda and Nafisa carry two pitchers of water and heavy loads of fuel wood, but they are girls.

Some people say that girls are those who help in house work.

But Joseph helps with cooking and cleaning at home and he is a boy.

Some people say that those who
work in the fields are
men or boys.

Baljit and her mother work in the
fields and they are women.

Some people say that those who trade in the market are men.

Valli goes to the market to sell fish,
but she is a girl.

Some people say those who are gentle and motherly are girls

Kabir is gentle, full of motherly love, and he look after his younger sister and he is a boy.

Some people say that those who are capable of managing affairs of the outside world are men.

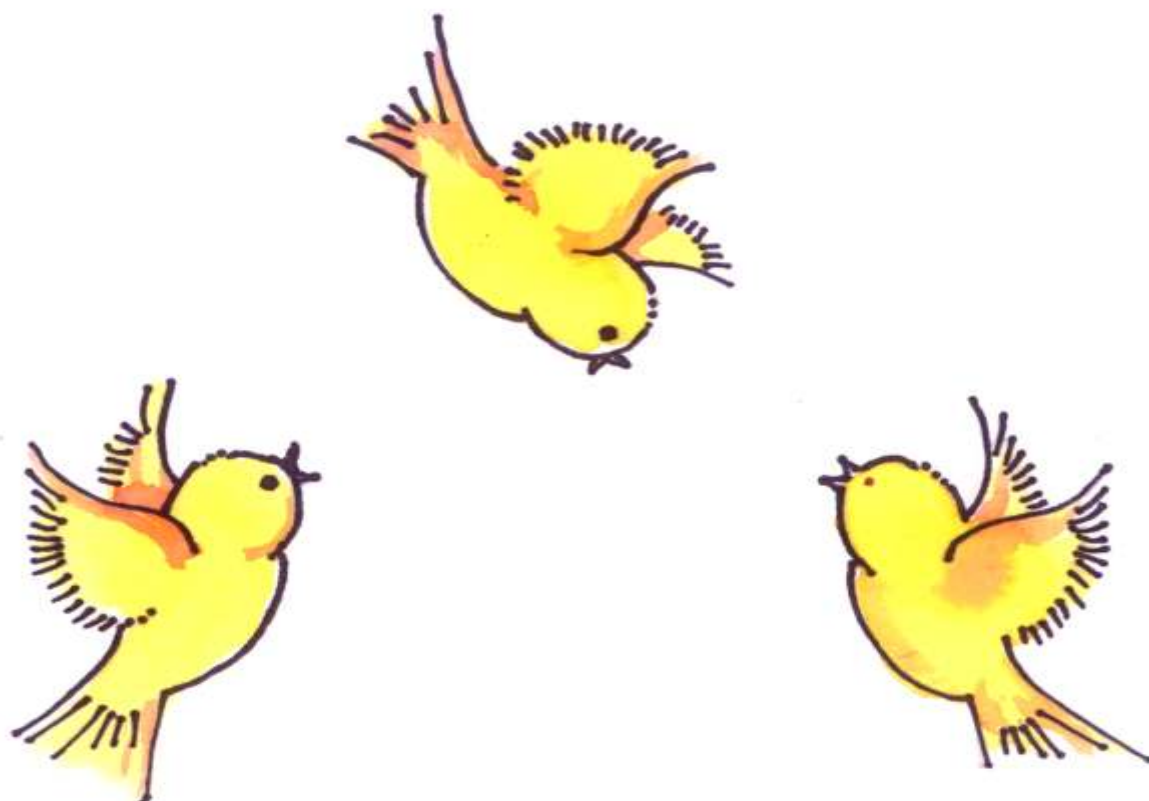

But Aruna is a District Collector, and manages the entire district and she is a woman.

Then ,What is a boy
And What is a girl?

A boy is one who has a penis
and testicles.

A girl is one who has a vagina
and clitoris.
